

How To Maximize Your Climate Controlled Storage Unit

How to get the most of your climate controlled unit investment

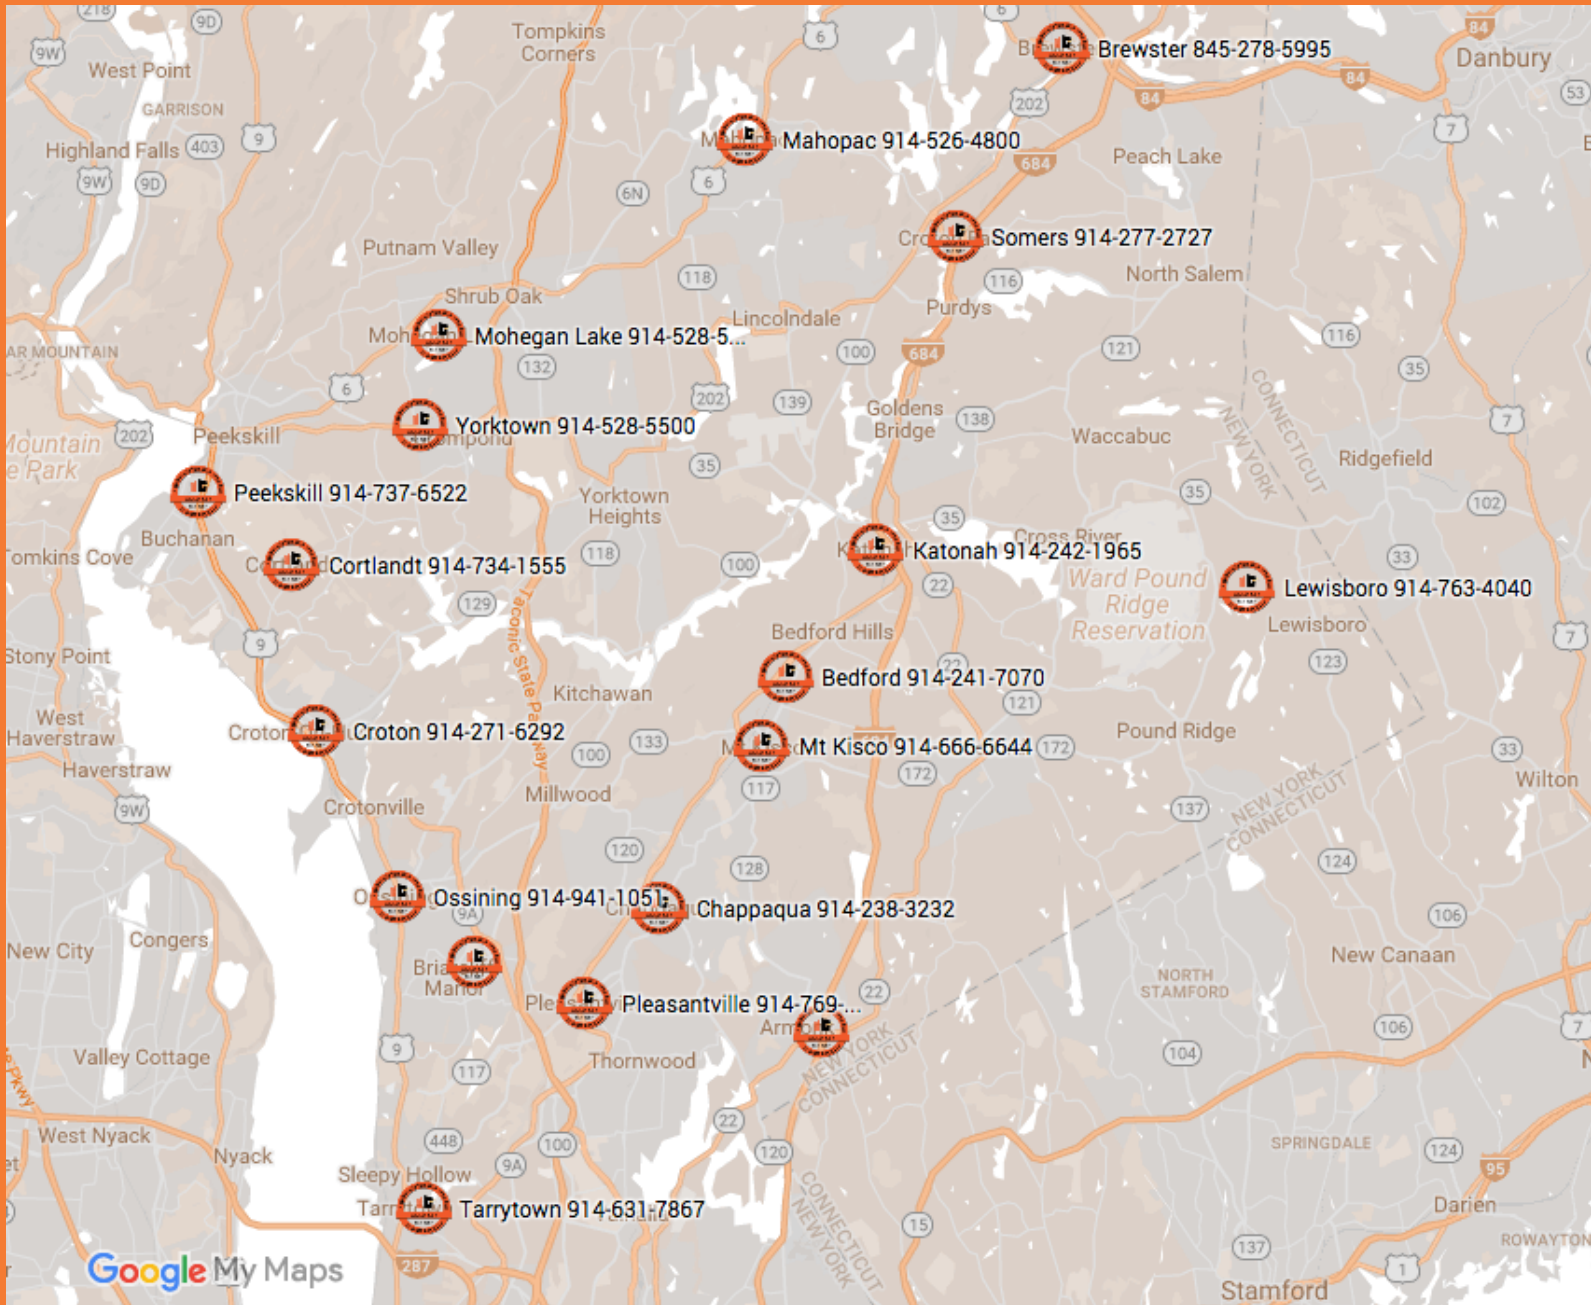

1. Box By Category or Room (Kitchen, Bath, Winter Clothes or Christmas)
2. Assign Each Box A Unique Number
3. Label Each Box With Your Name and Unique Number
4. Catalog Each Box Number & Category On Excel Or Piece Of Paper
5. Measure Your Items And Boxes
6. Map Out Placement Before Moving
7. Plan The Most Accessible Items To Be Nearest The Unit Entrance
8. Plan For Pallets And Shelving If You Want Items Raised Off The Floor
9. Pack Each Box Tightly, Use Bubble Wrap, Packing Peanuts Or Towels To Protect Delicates
10. Label Boxes With "Fragile" Items
